Dear All

The Institute of Technology in Sligo has asked us to draw your attention to the 54th International Yeats Summer School. Please feel free to circulate to your higher education institutions in your individual countries.

Regards

Gerry

Dear Colleague,

Institute of Technology. Sligo is pleased to invite you to participate in the **54th International Yeats Summer School**. Lectures are given by world renowned Yeats scholars. As many of Yeats poems are set in Sligo and environs this is an excellent opportunity to learn about the poet in his native environment. The Summer School also includes events led Nobel laureate **Seamus Heaney** and by esteemed author and Booker Prize winner, **John Banville**.

IT Sligo sponsors three tuition scholarships for the Summer School. Please contact us at the International Office for more information.

Once again we would be delighted to welcome you to Sligo and are available to answer any queries you may have.

Kind regards,
Eileen Gillen
