Subject: update interim solution for Erasmus+ in Switzerland

Dear colleagues,

I am pleased to inform you about the details of the interim solution for Erasmus+ in Switzerland: Having about 12.5 million EUR at disposition for Higher Education, we will be able to fund student mobility (study periods and traineeships) as well as staff mobility (teaching and training periods) for both outgoings and incomings. There is only one restriction concerning traineeships in Switzerland: in order to be eligible for funding, students have to apply at a Swiss HEI even if the traineeship will take place at an enterprise or another organisation.

Please refer to the table below for the grant level for incoming students and staff (in Swiss francs and the corresponding amounts in EUR)

Student mobility – studies and traineeships		
Home country	Student mobility for studies (per month)	Student mobility for traineeships (per month)
AT, DK, FI, FR, IE, IT, LI, NO, SE, UK	CHF 360 (EUR 300)	CHF 420 (EUR 350)
BE, BG, CY, CZ, DE, EE, EL, ES, HR, HU, IS, LT, LU, LV, MK, MT, NL, PL, PT, RO, SI, SK, TR	CHF 420 (EUR 350)	CHF 420 (EUR 350)

Staff mobility – teaching assignment and training	
Home country	Staff mobility teaching assignment/training (per day)
AT, BE, BG, CY, CZ, DE, DK, EE, EL, ES, FI, FR, HR, HU, IE, IS, IT, LI, LT, LU, LV, MK, MT, NL, NO, PL, PT, RO, SE, SI, SK, TR, UK	CHF 170 (EUR 140)
Travel costs (unit cost per person): CHF 400 (EUR 330)	

We hope to have plenty of exchanges between your countries and Switzerland in spite of being outside Erasmus+ for the moment...

Thank you for your support which is very much appreciated and please do not hesitate to contact me anytime in case of questions.

Kind regards,

Karin
