Θέμα: Application procedures at Kaunas University of Technology

Dear Colleagues,

I hope this email finds you well.

With the snow finally starting to melt, Kaunas University of Technology started preparing for the student mobility of the academic year 2018/2019. To make sure that your students have as little troubles as possible while applying for their exchange studies at KTU, we prepared information on the application procedure at KTU and other useful information for incoming students.

DATES AND DOCUMENTS FOR ERASMUS+

Nomination Procedure

A student can be nominated to come to KTU when a valid bilateral agreement between home university and KTU exists or under academic exchange programmes between countries.

Write your nomination to the e-mail incoming@ktu.lt, indicating the name, surname, e-mail address and the faculty of the student.

Nomination deadline: Autumn semester - **May 1**

Spring semester- **October 1**

Application Procedure for Students

A student can be nominated to come to KTU when a valid bilateral agreement between home university and KTU exists or under academic exchange programmes between countries.

Application deadline: Autumn semester - **June 1**

Spring semester- **November 1**
