Short Description of the Company	In 1993 the BSH Group became the owner of the Nazarje factory, which is now among the top three factories in this branch, and is a convincing leader in the Western European market. In the last decade the company BSH Hišni aparati has developed from a production operation into a modern centre for development and production of all small motorized household appliances for food preparation, as well as thermal appliances for preparation of beverages. In the last couple of

	years in BSH Hišni aparati more technologically demanding appliances for coffee preparation have been developed and produced. The products are represented in the worldwide market under the trademarks of Bosch, Siemens, Ufesa, and Profilo.
