

## **HEALTH INSURANCE**

Incoming students and staff are advised to issue a European Health Insurance Card prior to their departure. A European Health Insurance Card is a free card that provides access to medically necessary, state-provided healthcare during a temporary stay in any of the EU countries, Iceland, Lichtenstein, Norway and Switzerland, under the same conditions and at the same cost as people insured in that country. European Health Insurance Cards are issued by your [national health insurance provider](#).

Additional info for health insurance issues may be provided by:
