Dear authors,

We cordially invite you to submit your papers and attend the IEEE – 6th South-East Europe Design Automation, Computer Engineering, Computer Networks and Social Media Conference, which will be held in Preveza, Greece, September 24th-26th 2021, and it will be jointly organized by the *Department of Electrical & Computer Engineering, University of Western Macedonia, Greece*, (<https://www.uowm.gr/en>) and the *Departments of Informatics & Telecommunications and Accounting & Finance, University of Ioannina, Greece* (<https://www.uoi.gr/en>). **The conference will be hybrid, allowing physical and online attendance.**

The **South-East Europe Design Automation, Computer Engineering, Computer Networks and Social Media Conference (SEEDA-CECNSM 2021)**, in its 6th year, will provide an insight into the unique world stemming from the interaction between the fields of computer engineering, networks and Design Automation. SEEDA-CECNSM 2021 will provide an international technical forum for experts from the engineering industry and academia to exchange ideas, innovations, and present results of on-going research in the most state-of-the-art areas. The conference covers many topics under areas of Design Automation, Computer Engineering and Computer Networks (a detailed list of topics can be found in: <https://seeda2021.uowm.gr/>).

SEEDA-CECNSM 2021 will be **technically co-sponsored by the IEEE Computational Intelligence Society** and all papers will be **indexed by IEEE Xplore, DBLP and Scopus**.

Important dates:

Submission of full papers:	May 31, 2021
Notification of acceptance:	July 5, 2021
Submission of camera ready:	July 31, 2021
Main Conference:	September 24-26, 2021

Proceedings/Publications

Extended versions of selected papers will be included in a Special Issue of the *Telecom* MDPI internationally indexed (**dblp, Scopus, ESCI, Google Scholar**) journal, on a **special, 100% APC-waived** submission status.

Regards,
Conference Organizing Team,
SEEDA-CECNSM 2021
